چیزهایی که نگه می‌دارم
THE THINGS WE KEEP

بازی با بافت، رنگ و فرم نقطه اتصال میان آثار محمد جواد شیری و رعنا شاکری است. این دو هنرمند با رویکردی تجربی به مضامینی چون طبیعت و طبیعت بی‌جان نزدیک شده و به کاوش در فرم و ماده پرداخته‌اند.

استفاده از اشیای جمع‌آوری شده، حاکی از نگاه مشترک آن‌ها به پیشینه و خاطره‌ی مواد است. ساختار لایه‌لایه در آثارشان نشانه‌ای است از تکه‌های پراکنده و ناپایدار تجربه‌های متنوع زیستی آن‌ها که چون لحافی چهل تکه به یکدیگر وصله شده‌اند.

| Raana Shakeri

For Raana Shakeri, nature is the source of inspiration for her works. In his collages, she uses recycled materials, fabrics, and colors. Although her works seem somewhat abstract at first glance, she engages the audience in searching for and finding elements of nature or her still life. Shakeri is a young artist who puts his personal approach to issues before our eyes through experimentalism.
